PROFILE

"I have 1 year of hands-on experience as a video editor, during which I've honed my skills in creating visually engaging content. I'm well-versed in industry-standard tools like Adobe Premiere Pro and After Effects, and I've successfully worked on a variety of projects from social media clips to longer-form content. My experience has taught me how to manage deadlines, take feedback constructively, and adapt to different styles based on client needs. I'm eager to bring this expertise to your team and contribute creatively while continuously improving my craft."
